Convicting the Jews, Part 2: Why the Jews Condone Pedophila

by

Professor Banjo_Billy, Kikenverminologist

You ladies, close your eyes real tight when you read this because the subject is so sick and disgusting. Now, don't peek, because I am going to tell you why the Jews seduce little children.

You can see it for yourself everyday on television how the Jews teach little kids to lie, take drugs, drink booze and have sex while they are still playing with dolls and toy trucks in grade school. You can see it for yourself on all of the Jewish-owned television media -- ABC, CBS, NBC, BBC, all of them. Now, why is this? Aren't the Jews nice and wonderful people like they claim to be? Wonderful people wouldn't lie to us and debauch our children, would they? Why would the Jews betray our little babies and degrade our teenagers if they were wonderful people? Well, keep your eyes closed real tight and I will explain the lying, diabolical Jews to you so that even an uneducated Muslim woman, swaddled from head-to-toe in a camel-hair tent, is able to realize the truth about the Jews.

You will find that all of the perverted organizations that promote homosexuality, pederasty, lesbianism, prostitution and other disgusting and immoral vices are all financed, staffed, owned and operated by Jews. And Jews are their largest customer base. Why is this, if the Jews are the wonderful people that they claim to be? Why is it that the most disgusting vices are promoted by Jewish politicians and Jewish financiers? Well, close your eyes real tight, Ladies, because I am going to tell you why.

To understand sickness, you have to find its source. And the source of all Jewish perversion and sickness in found in the rabbis. You have probably seen pictures of rabbis, those hideous, hairy-faced Jews with the slobbering lips and the black, glaring, nasty-looking eyes. Such demonic-looking creatures are the "holy men" of the Jews. Although, some of them are clean-shaven so that their slobbering lips don't drool into their beards. The nastiest ones of the bunch all wear a round, fox-tail hat wrapped around their heads with the asshole end of the fox-tail turned inward next to their foreheads for better suction.

While you can know a man by the company he keeps, you can get a good idea of the kind of people the Jews are, just by looking at their fiendish rabbis, sweating under dead foxtails while bumping their own thighs and mumbling curses.

Yes, these are holy men and they will tell you so, as they describe themselves with such glowing words as "holy", "pious", "observant" and most of all "scholarly". They want you to also know how smart they are because they study the Talmud. They speak the Holy Gibberish of Yid and read the Babylonian Talmud for good ideas. Any Jew can tell you this. But what does a rabbi teach that is such a good idea?

Now close your eyes real tight and don't peek because I am going to tell you some Jewish secrets.

All of Judaism revolves around the Jewish penis. In fact, without the Jewish penis, there would be no Judaism. It is the Jewish penis that drives the seething intellect of the Jews and gives their demented lives its only meaning. And they are as proud of their Jewish penis as a songbird is proud of his warble. For example, the ADL, that famous and mighty Anti-Defamation League of B'ad Br'eath, call themselves the "Sons of the Convenant". They

are so proud of their penises!

But what is this "convenant" that is in the title of their organization? It is the age-old story found in the Bible where the Jewish god promises that if the Jews would cut off their cocks, then He would be their god and they would be His People. But hey! They were Jews weren't they? So they made a deal: not the whole cock, just the foreskin! And so, to this very day the Jews in the ADL advertize their special "covenant" with god by putting their penises to the forefront in the title of their organ-ization. So you see, if a big group of kikes like the ADL advertize their pricks in the title of their organ-ization, then you know that their wee-wees must be a very big deal to all of them.

So, why are the Jews so infatuated with their mangled weenies? Again, the rabbis are to blame. From the moment a baby Hymie is born, if it is boy, it is destined to have his whole life orbiting around his pee-pee. Oy Gevalt! How could it be otherwise? After his eighth day of life, the baby Hymie is taken to the mohel rabbi to have his foreskin cut off with a butcher knife. Oy! Do those mohel rabbis love little baby cocks! While the kid is screaming to high heaven with blood gushing out of the wound, the mohel immediately clamps his rubbery lips around that little kike's cock and starts sucking out the blood. Ick! Didn't I tell you to keep your eyes closed? But it's true! Then he spits the blood into a goblet of wine and all the Jews take a drink. Ugh! Those holy Jews are disgusting. But they claim to be God's People so how can you not believe them? Only a devil would tell such a lie, but these are Jews!

Anyway, in the immoral teaching of the rabbis, this screaming little oven magnet is taught to cherish his cock and to become a blood-sucker all in the same lesson. And with that chopped off portion of his penis, he is reminded of his specialness as a Jew forever. For the rest of his life, every time he goes to the toilet, he is reminded of his Jewishness. Every male Jew is reminded of what it is to be a Jew everytime he urinates. Every Jew piously bows his head over his cock, looks down and meditates upon what he is missing ... and he tries not to miss while he is pissing. This is Judaism in action, a religion that combines their penises with the Jewish god as a lifelong exercise in Jewish piety and potty training.

So, do you see why Jews are so messed up? For Jews, their god and their pricks have a special place in their hearts. And anything that they can do with their pricks, to a Jew is a holy and a special "covenant" with their god.

In fact, the nasty rabbis have actually put a Jewish penis at full attention directly into the name of their God. Their god, "Yahweh", is spelled in Hebrew, "yod, heh, vav, heh". But when the rabbis stack the letters one on top of the other, they claim that it forms the shape of a Jew and "Oy! What a whanger that vav is!"

So, now you know what the Jews mean when they say "Our god is mighty". And with such a huge "vav" in his name, and with the special "covenant" attached to every Jewish prick, you can see why the Jews stick their greedy fingers and their nasty dicks into everything, even little children.

Now remember, Ladies, you are not allowed to read this unless your eyes are closed. It gets worse.

The ancient rabbis have made the Jewish penis the most cherished of all Jewish paraphenalia in a religion filled with paraphenalia. And to celebrate their cocks, the rabbis have devoted entire books of the Talmud to what they call "cleanliness". Of course, a pig has a different idea of cleanliness than does a human, but the rabbinical swine lecture about cleanliness, anyway. And what they are most concerned with is the "cleanliness" of their Jewish sows.

An entire book of the holy and wonderful Talmud is devoted to the female Jew's pussy. Its various kinds of excretions and bleedings, its ripeness and rottenness are all discussed with just one thing in mind -- when is the best time to stick a Jewish penis into it. This is among the holiest teachings of the Jews. No, you will not find this in the Bible but only in the Babylonian Talmud. And while the rabbis are devoutly studying this "holy" book on Jewish pussies, you can see them humping up and down, up and down, in holy rapture. Now you know why the Jews are humping up and down as they study the Talmud. Hey! They are Jews! Nasty magazines cost money! But, oy! They can read all kinds of pornography in the Talmud for free while humping up and down.

I warned you ladies, studying Jews is a nasty business. So, keep your eyes closed tight. It gets worse.

Not only do the rabbis teach the kikenvermin how to use their pricks in holy ways when urinating and screwing their sows, but they teach these Jewish perverts how to molest little children, too.

So, if you always thought that the Jews were pricks, you are absolutely right. And there is a reason why all of the pornographic and homosexual organizations are headed by Jews with mainly Jewish members (no pun intended). According to the slobbering rabbis, everybody on earth is wrong and only the Jews are right. According to the Jews, pornography and perversion are not really evil after all because they are Jewish. And how can something Jewish be evil since the Jews are the Chosen Ones of God ... and they have their holy penises to prove it?

But don't take my word for it, open your eyes and read it for yourself in the Babylonian Talmud (Sanhedrin 54b-55b). Quote:

"Rab said -- Pederasty [sodomy] with a child below nine years of age is not deemed as pederasty with a child above that. Samuel said: Pederasty with a child below three years is not treated as with a child above that. That is, Rab makes nine years the minimum; but if one committed sodomy with a child of lesser age, no guilt is incurred. Samuel makes three the minimum. What is the basis of their dispute?"

These kikenvermin claim that a boy of nine years old and a day is a sexually active male and so (because the boy is counted as a man) if a Jew sodomizes him, the Jew is guilty of sodomy. But if the boy is younger than nine years old and a day, then (because the boy is not a man) the Jew can sodomize him without being guilty of sodomy. And so, you can now understand why the pervert organizations are so full of child-molesting Jews. And why they are all defended by the Jewish lawyers of the ACLU, is because in promoting the sodomy of little boys and the raping of little girls, they are promoting Judaism. As the nasty Chosen Ones of God will tell you, there is nothing more holy than Judaism and their covenant with god proves it, written in Hebrew on their mangled cocks.

Keep your eyes tightly closed, Ladies, because the Jews have awful plans for your little daughters, too.

Likewise for little girls, the rabbis teach that it is deliciously kosher for a Jew to rape a little girl as long as she is younger than three years old. As the rabbis teach in the Babylonian Talmud, Kethuboth 11b: ""When a grown-up man has intercourse with a little girl it is nothing, for when the girl is less than three years old it is as if one puts the finger into the eye -- tears come to the eye again and again, so does virginity come back to the little girl under three years. When a small boy has intercourse with a grown-up woman he makes her as a girl who is injured by a piece of wood."

Thus, the rabbis teach in this Talmud quote that raping a little

girl of less than three years old and a day, is of no more effect on her than if she got poked in the eye; and her virginity will grow back again. Also, for grown up Jewish women to seduce little boys is of no more consequence than if the Jewish sow had injured herself with a wooden dildo. In the olden days, Jewish women used a wooden broom handle as a dildo and would injure themselves in their enthusiasm. This is where the legends of ancient Europe arose of witches riding their broomsticks -- just one more example of the great "enrichment" that the Jews claim to have added to European Culture, Jewish witches riding their broomsticks to the chanting of rabbis humping up and down before the Talmud.

However, if the little girl is older than three years old and a day, then the Jews consider her old enough to marry a Jew. And so, she should be married and not raped ... or married first and then raped. After all, she is only three years and a day old, so what else is a Jew to do with such a little girl other than to rape her?

In Avodah Zarah 37a, the rabbis assure the Jews that little non-Jewish girls younger than three years and a day are prime meat but that once they reach the age of nine years old, they are too old for a Jew and they might defile his holiness so he should be seeking girls younger than nine years old! Younger than three is even better!

This is what the rabbis teach. Even the pagans of 200 BC thought that the Jews were perverts, but what does a pagan of 200 BC know about Jews?

Okay, Ladies, you can open your eyes now. There are worse things that the rabbis teach in the Babylonian Talmud, things that are very, very much worse. But you are sweet and gentle ladies and that is enough for now. So, please, go home and hug your daughters and kiss your sons. Take them into your arms, hold them and cherish them and keep them safe and warn them to stay far, far away from any Jews of any age.
